

Offering a new era in orthopaedic surgery

At The Orthopaedic Institute we're transforming orthopaedic care where state-of-the-art facilities, world-class orthopaedic surgeons, groundbreaking research and personalised care come together.

That's **YOU** to the power of us.

No-Gap Joint Replacement Program*

Macquarie University Hospital has partnered with HCF and Medibank to provide eligible patients access to our No-Gap Hip and Knee Joint Replacement Program. This means eligible patients have no out-of-pocket costs for:†

- Assessment at our Pre-Admission Clinic
- Hip and knee replacement surgery with a participating surgeon
- Anaesthetist and assistant surgeon costs
- Hospital accommodation and theatre costs
- Diagnostic tests while admitted (scans and blood tests)
- Post-surgery rehabilitation at home

* Hospital excess may apply.

† Patient eligibility and terms and conditions apply.

The program is proposed to end on 30 September 2027 for HCF members.
