

MQ HEALTH ROUSE HILL SPECIALIST CLINIC

The MQ Health Rouse Hill Specialist Clinic gives you access to specialist clinical care in one place and without a long waiting time. We deliver patient-centred care that is based on the latest research evidence and teaching.

MQ HEALTH

Macquarie University is proud to have established Australia's first university-led health sciences centre that combines excellence in clinical care with teaching and research. MQ Health brings together the Faculty of Medicine, Health and Human Sciences; the not-for-profit Macquarie University Hospital; and specialist medical clinics.

ROUSE HILL SPECIALIST CLINIC

Located in the heart of Rouse Hill, the clinic offers you timely access to specialist services without long waiting times. You will also have access to state-of-the-art investigational and operating facilities at the Macquarie University Hospital.

We provide services in the following clinical areas:

- Audiology
- Breast surgery
- Cardiology and cardiothoracic surgery
- Endocrinology
- General surgery
- Neurosurgery
- Orthopaedic surgery
- Respiratory
- Urology

OPENING HOURS

We are open from 9am to 5pm, Monday to Friday, except on public holidays.

Parking is free at the Rouse Hill Town Centre for the first three hours.

PAYMENT

Payment is required at the time of your appointment – EFTPOS, credit card and cash are accepted. Fees may be claimable through Medicare or your private health insurer. A valid referral is required to claim a rebate from Medicare.

More information is available from our reception staff.

GETTING TO THE ROUSE HILL TOWN CENTRE IS EASY

By car: If you are coming from the north or south, travel down Windsor Road and turn onto Rouse Hill Drive (from the north) or White Hart Drive (from the south). From there, turn right onto Civic Way off Rouse Hill Drive or left onto Civic Way from White Hart Drive to enter undercover parking. If you are coming from Kellyville, take Sanctuary Drive or Commercial Road.

By train: The Rouse Hill Station is located right in front of the Town Centre.

By bus: Buses service the Town Centre every 10–30 minutes during peak times.
