

EOI: Orthopaedic Institute at Macquarie University Hospital

ORTHOPAEDIC INSTITUTE AT MACQUARIE UNIVERSITY HOSPITAL

Opening January 2024

We are in the late stages of an exciting journey to establish a state-of-the-art, academically integrated centre of excellence in orthopaedics at MQ Health. We are now inviting expressions of interest from orthopaedic surgeons to join our team. The new facility opening early in 2024 will have numerous benefits for patients and surgeons including:

- four state-of-the-art operating theatres designed to the highest standards.
- 29 overnight beds and 6 same-day beds, supported by the MQ Health's tertiary level facilities including ICU, imaging, pathology and specialist physiotherapy.
- A purpose-built unit with a primary focus on ensuring increased access to an enhanced recovery after surgery (ERAS) model of care, providing improved patient outcomes.
- Opportunities to consult from our co-located consulting rooms.
- Robotic-assisted technology including the ROSA® knee system.

HEAL. LEARN. DISCOVER.

MQ Health is Australia's first fully integrated academic health sciences centre under a university's leadership. Founded to advance the tripartite missions of clinical care, learning and research, we are bold and ambitious in our pursuit of patient-centred excellence.

EXPRESSION OF INTEREST PROCESS

To express interest in joining the Orthopaedic Institute at Macquarie University Hospital, please complete the [online EOI form](#), which will be reviewed by the relevant Clinical Discipline Head, Chief Executive and Director of Medical and Surgical Services and involve a screening and interview process. Please contact clinicians@mqhealth.org.au for any queries regarding this process.

If you would like further information in relation to the new orthopaedic centre, please contact Ms Finny Staples, Associate Director, Hospital Operations (Level 5) at finnystaples@mqhealth.org.au

Essential Requirements

Clinicians will be expected have (or be eligible to hold) Accreditation at MUH, Fellowship of the Royal Australasian and College of Surgeons (or equivalent) and undertake teaching, research and quality assurance activities as appropriate.

Please contact clinicians@mqhealth.org.au for any queries regarding consulting opportunities. All EOIs will be reviewed and accessed on a rolling basis.

We look forward to hearing from you!
